We Are Proud To Announce
THE NEW MODEL 40 ATWATER KENT RADIO
AT A NEW LOW PRICE
\$81 - without tubes

ATWATER KENT has done it again—just in time for the Tunney-Heeny fight! Year after year, Atwater Kent has been out in front. He was first with compact radio; first with the true ONE-DIAL; first with the all-metal cabinet—that completely shields the electrical assembly inside; first with the all-in-one electric set at a popular price. And now—here is the Model 40—new—even better than the 37.

Everything that made Model 37 America's best selling radio is here—with greater power and greater sensitivity—and at a still lower price. The economies that go hand in hand with increased demand are passed on to you in the new Atwater Kent 40.

Come in today. Examine—listen to this new all-electric set. Here is tone that will give you every word-picture of the fight, clear and undistorted. The fast FULL-VISION Dial and the efficient volume control are all you

need to touch to operate this remarkable new set. There's a fraction-of-a-cent-an-hour operation—from the A. C. electric light socket. And dependability, backed by 222 tests or inspections. The striking modern beauty of Model 40 and its unobtrusive compactness make it adaptable to any nook or corner of any room. There are two new color combinations—both satin-finished—old gold and deep golden bronze, and old gold and dark brown. Stage the fight on your living-room rug. Invite the presidential candidates to speak to you. Command entertainment that costs millions of dollars to put on the air—and make it sound real through an Atwater Kent 40. The Atwater Kent A. C. set gives you your choice of all the programs in a wide range, brings in music and speech clearly, gives you no trouble at all, and costs only \$81 (without tubes). This radio itself will prove it to you. Have a demonstration today.

"BUY BETTER IN TORRANCE"

SAFeway STORES

DISTRIBUTION WITHOUT WASTE

Carloads of farm, orchard and garden products—either in fresh or manufactured forms—are constantly moving from every producing section of the West, through Safeway Stores, into the homes of consumers. In practically every state in which we operate we buy vast quantities of local products for cash—and ship them to some other section where they are needed. Our more than 1200 stores provide an enormous outlet—our buyers are everywhere—and our ability to use great quantities has often saved entire crops from literally going to waste. Thus both producer and consumer profit.
